ABOUT

Church Lane Studios is a collection of 5 bespoke apartments in North London's vibrant East Finchley district. Available to reserve now with construction to be completed mid 2020.

Located a stone's throw from the thriving High Street, prospective buyers will find themselves stepping inside the small community of Church Lane Studios, both literally and figuratively. Hiltongrove specialise in spaces that reflect the townscape and community spirit within the borough in which they develop. Comprised of 5 bright,

two-storey units with their own private walkway, offset from the main road, Church Lane Studios provide a contemporary oasis. Filled with modern accents and impeccably designed layouts, they offer future homeowners a space to retreat from the hustle and bustle of the City and a home worthy of hosting and entertaining guests.

LOCATION

Located in East Finchley, a leafy north-west London neighbourhood filled with thriving character, streets lined with period houses, and superb transport links.

East Finchley is one of the few remaining areas of North London that perfectly encapsulates the balance of English traditional charm surrounded with an abundance of popular shops and modern amenities. The High Street is populated by multiple restaurants, cafes and home to London's oldest independent cinema, The Phoenix. Sitting between the A406 North

Circular Road and the A41, it's no wonder East Finchley is considered "the elbow" of road links. Located in Zone 3, and just 25 minutes to London Bridge on the Northern Line, it is just one stop from Highgate where you can indulge in the delights of the historic Village and Hampstead Heath.
